IMPORTANT NOTES

Stalling is pre-assigned and barn maps will be posted. Any changes to the stall assignment MUST be approved by a committee member.

The Northern Lights committee is **billed by the facility** for stalling based on nightly walk-through audits by their staff of all stalls and outdoor parking grounds.

The Northern Lights Committee is accountable and pays for all shavings used during our weekend. It comes out of our bank account if shavings are missing from the inventory.

¹ Outdoor Pen Space is LIMITED - FIRST COME FIRST SERVE

- Must provide own panels;

- Includes parking for 1 rig per owner/rider

- No RV hook-ups at outdoor stalling location.

- *These spots are available at your own risk – you MUST stay in your trailer beside your pen, with your horses. The public does have access to these grounds at all hours.*

² If pre-purchased, shavings will be placed in your stalls for you prior to arrival.

³ Although we will do our very best to accommodate all requests, there is a possibility your request may not be able to be fulfilled. Please request as much in advance as possible for best outcome.
